Objectives

Haryana Vision Zero is a campaign aimed at reducing road traffic deaths in the state. As per WHO report "Youth and Road Safety" every day just over 1000 young people under the age of 25 years are killed in road traffic crashes around the world. Road traffic injuries are the leading cause of death globally among 15-19-year-olds, while for those in the 10-14-years and 20-24-years age brackets they are the second leading cause of death.

The students would be sensitized of this fact and interactive session would be held on the following topics:

- Youth-related risk taking
- Peer influence
- Other social pressures
- Inexperience
- Specific Interventions that have proved effective

The Working Relationship

This MOU sets forth the intentions of the Parties for increased collaboration, cooperation and interaction and does not create any legally binding commitments. If the Parties later agree to undertake specific joint projects with legally binding obligations, they will develop separate written agreements for such projects, setting out each Party's contributions, deliverables, and budgets.

Commencement, duration and termination

The effective commencement date of this working relationship will be the date of the signing of this MOU and the working relationship shall remain in force for a period of 03 years from the commencement date

The working relationship can be terminated at any time by any Party following a consultation period of 30 (thirty) calendar days or such period as agreed otherwise between the parties and thereafter giving 30 (thirty) calendar days written notice of termination to the other Party.

The working relationship will not be automatically renewed and will be reviewed before the end date with a view to assessing delivery against the objectives set out in this MoU and whether a renewed working relationship aligns with the strategies and objectives of the Parties.
